

Explore Tracks of Wildebeest

The Northern circuit is a special route as it offers diversity and a good collection of wildlife, culture and natural attractions. Tarangire brings life to large herds of Elephants. During the peak months wildlife congregate around the river which is a perfect spot for game viewing. Serengeti is derived from a Maasai word that means endless plains. It's a large National Park that shares the same eco-system as Maasai Mara.

It's famous since it hosts large herds of wildebeests and herbivores. The big cats are always found around the River. Ngorongoro is a world heritage site that is full of wonders. The Outstanding view from the crater rim is one scenic sight and deep in the crater there is active flora and fauna.
